

NCIDQ STUDY WORKSHOP

A 23-hour workshop, over 3 days, with complete immersion into the practicum portion of the NCIDQ exam. A step-by-step approach to all 7 exercises with tips for success is followed by an actual NCIDQ exam all day Saturday, giving you a real-time experience in a practice setting. The exam is followed by a critique of all exercises with plenty of one-on-one time.

WHAT IS INCLUDED IN THE WEEKEND WORKSHOP?

- NCIDQ exam
- 2nd Practice Design Problem (PDP) for practice at home with self-guided evaluations
- Notebook of study guides and tips for success
- Lunch provided
