

## OCC DISTINGUISHED VISITING SCHOLAR 2017

We are excited to invite you to share with us an exceptional evening of design and culture presented by 2017 OCC Distinguished Visiting Scholar from Tokyo, Japan, Minoru Yokoyama, FIIDA.

Minoru Yokoyama will discuss the evolution of architecture and interior design and the profound influence of historical Japanese characteristics on new work being created today. In his presentation, he will share how these major elements influence and infuse his work and those of other contemporary Japanese designers.
