2. You will be asked to answer four questions with a 250 word limit for each. The names of team members must **not** be included when answering the submission questions to keep teams anonymous for judging. However, if you are submitting your own firm's office, you may **not** include the design firm name in either the descriptions or the photos.

3. You may submit up to six hi-res images of the completed project. Renderings are **not** allowed. One of the images must be a floor plan of the space. Images must be hi-res JPEGs at a minimum size of 8 x 10" at 250dpi. You will be asked to choose the featured image to be used in promotional materials - this image must be horizontal aspect. We recommend it be a representative interior shot. Images may contain the name and/or logo of the client.

AWARDS GALA

Winning projects will be announced at the Calibre Design Awards gala on May 18, 2018. Trophies will be given to the team members listed in the Submission. No additional awards will be available for fabrication or purchase.
