INFO

You spoke up and we listened. This year we thought to change the show up a bit by having one theme. Yes, EVERY design team, including the students, will be designing an outfit using the SAME inspiration. I wish I could tell you what this is but I can't because you, designers and sponsors, are going to have the chance to vote on it. We have selected 5 architects and 5 fashion genres. You get to vote for your favorite of each category and the winning combination will be our theme. Check out future fashion show blogs for hints!
