

## AN EVENING OF SHORT TALKS, CONVERSATION, COMMUNITY, AND FOOD

### THE PROGRAM

- Textile Slam! is an evening for friendly conversation and inspiration from unexpected directions, featuring a rotating slate of presenters, each of whom will deliver an *informal* six-minute (or less) presentation.
- Textile Arts LA members, and non-member artists, designers, architects, educators, and all-around neat thinkers are invited to talk about their work, ideas that interest them, or projects they are exploring.
- We envision the Slam! as a casual, community, conversation-oriented event.
- Cocktails, dinner, and program: \$45 members; \$60 non-members; students \$25

### PRESENTATIONS

- Anyone may apply to present (members, non-members, artists, entrepreneurs, etc.)
- Presentations must be 6 minutes or less – there will be no overs, please – and can take many forms.
- If your talk is likely to be of interest to people working in the arts, design, or creative fields, your subject is fair game. All we ask is that you pique our curiosity, delight us, or educate us.
