SPONSORSHIP OPPORTUNITIES
Dear Friends of IIDA Southern California,

We want to sincerely thank you for your generous support of all that we represent and do in the Commercial Interior Design industry in Southern California. Our mission is to inspire, advance and connect our community, by providing meaningful resources to the commercial interior design industry, and to elevate the profession and enhance business value for all members. It is only through your partnership, that we are able to achieve those goals.

With your support, we expect that 2020 will be another incredible year for IIDA SoCal. We had an inspiring kick-off in July with our new Board of Directors, setting goals for the year and outlining a strategic plan for execution. Some of this year’s goals include:

**Advocacy:** Efforts will continue at the local and state levels through our partnership with the IIDA Northern California Chapter, and in conjunction with our lobbyist. We plan to integrate Advocacy topics throughout the year’s City Center events, in more engaging, educational, and (dare-we-say) fun formats!

**Student Affairs:** We will increase outreach to students by adding more Campus Centers to our program.

**Communications:** We are currently working on the launch for our new website, with more access to events and information about happenings in the industry, along with a an exciting refresh to the design.

**Professional Development:** The Turning Point Series will begin a new focus on Creativity, and we plan to launch two new Professional Development programs; a one-on-one Mentoring Program, as well as a year-long, workshop-structured Emerging Leaders Program for junior designers.

**Membership:** Events will have added value and benefits for our members, and we will issue a “Value of IIDA” document that outlines all of the incredible “bonuses” we have access to through membership.

We are continuing to offer multiple levels of sponsorship, and hope that you will find a level that aligns with your goals. We want to ensure that the value you, our Sponsors, are receiving exceeds your expectations.

On behalf of the IIDA SoCal Executive Board, our Members, and the entire Design Community, I would like to thank you for your continued support in 2020.

With gratitude,

Angela Ryan, CID, NCIDQ, IIDA, EDAC
President, IIDA Southern California Chapter

CITY CENTER EVENTS

CITY CENTER FASHION SHOWS
Each year, we hold fashion show events throughout Southern California. These couture runway events feature a cohesive theme around which architects, designers and students create custom outfits, created using typical interior design finish materials.

TURNING POINT SERIES
This professional development program is held once a year, in each City Center, featuring a leading design industry luminary speaking about design issues relevant to all.

DESIGNCONNECT
IDA’s contract interiors exhibition showcases the latest trends for commercial environments in Southern California. These events will be held in Inland Empire, Orange County and San Diego in 2020.

These are the events included in the Chapter Sponsor packages.
