REQUIREMENTS
Students must be or have applied to be an IIDA Student Member by Thursday, October 1st. (click here to apply for a Student Membership.)

Students at any level within a program at a Southern California University or College for Interior Design, Interior Architecture, or Environmental Design may apply for this event.

Students must submit a commercial Interior Design project (Healthcare, Hospitality, Office, Retail, Public-use Spaces, Mixed-Use, Institutional, etc.) There is no square-footage requirement or limitation. The project must not have been showcased in previous IIDA So Cal student events or competitions. All submissions will be judged by their professional appearance by a panel of industry judges.

Students must submit...
• One Floor Plan - Scale and page size does not matter.
• Supporting Imagery - 3 images minimum, 6 images maximum. Examples of supporting imagery are renderings (hand or digital), concept sketches, diagrams, etc.
• Concept Statement (500 words max.)

Click here to fill out the online application. The online application must be completed in-full before being considered for acceptance into the event.
